

2010 UMYF Ski Trip (Ages 13 and older)

Feb. 18 – Feb. 21, 2010

We **must** know what you are going to do both days at Terry Peak so we can buy tickets in advance. Any changes made at Terry Peak are at your own expense.

If you have not skied/snowboarded before, you **must** take lessons for your desired equipment the first day you use that equipment.

Guests: Although we will accept any friend of a youth group member, please be aware that this is a Christian Youth fellowship activity. You will be expected to participate and conduct yourself in a way appropriate to this faith.
