

*Faithful Together*

**2022 Stewardship Campaign**

---

October 6, 2021

Dear Members and Friends of Brookings First United Methodist Church,

Thank you for your faithful pledge and service to Brookings First United Methodist.

It is that time of the year when Brookings First United Methodist Church members and friends are asked to make a pledge to support a budget for the next year. During the first 3 weeks of October, we will be asking for that pledge through the *Faithful Together* stewardship campaign. We hope that you will prayerfully consider your pledge from last year and consider what you can do for 2022. We ask that you make your pledge decision prior the October 17 Sunday worship service. You may bring your pledge to worship, send them to the church, or complete them through an online submission process. Your pledge will be a vital resource toward the 2022 church budget.

What can your pledge do? Clearly all pledges support the basic functions of our church. Salaries for pastors and staff who keep the many programs of Brookings First United Methodist Church moving forward. Additionally, there is support for Sunday School, Harvest Table, worship services, support for mission opportunities and many other weekly activities that attend to our members, friends, or community members. Because of the financial support received by Brookings First, we can reach many people here in Brookings and beyond through these activities.

There has been much accomplished by past and current members, but these things are because we have prayed together, worked together, and faithfully given together. We ask that you prayerfully consider your pledge for 2022 to Brookings First United Methodist Church.
